

## **2013 Korean Government Scholarship Program for International Students Enrolled in Graduate Programs**

Dear Israeli students,

In order to promote mutual exchanges in the field of education between Korea and Israel, the Government of the Republic of Korea will grant scholarship to two Israeli students for Master's Program or Doctoral Program in Korea in the year of 2013. The Korean Embassy in Israel hopes that many eligible Israeli students will apply for this outstanding program.

Interested candidates are kindly requested to read carefully the enclosed "2013 Korean Government Scholarship Program Guideline for International Students Enrolled in Graduate Programs", and to submit all the necessary documents to the Korean Embassy in due time.

### **Schedule:**

Applicants should submit all necessary documents to the Korean Embassy by **March 20, 2013.**

Applicants will have an individual interview at the Korean Embassy on **March 27, 2013.**

\* The exact time for the interview will be notified at a later stage.

The Korean Embassy will choose potential candidates for the programs and thereafter the National Institute for International Education (NIIED) in Korea will select the final candidates.

The Korean Embassy will inform the final candidates selected by NIIED of the final result around mid or late June, 2013.

Schedules are subject to change due to circumstances related to the Korean Embassy in Israel and the National Institute for International Education (NIIED) in Korea.

### **Important notice:**

Applicants should have a grade point average (G.P.A) of above 80% at the last educational institution they attended.
